

INDEPENDENT AUDITOR'S REPORT

To the Members of Salaam Bombay Foundation

Report on the Financial Statements

We have audited the accompanying financial statements of Salaam Bombay Foundation ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Income and Expenditure and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India

of the state of affairs of the Company as at March 31, 2016, its deficit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. The report does not include a statement on matter specified under the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, since in our opinion and according to the information and explanation given to us, the said order is not applicable to the Company.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Income and Expenditure, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
STANDALONE FINANCIAL STATEMENTS OF SALAAM BOMBAY FOUNDATION**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of
the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Salaam Bombay Foundation ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Less: Amount Transferred to General Reserve	NIL	NIL
Surplus carried to Balance Sheet	771.78	798.41

STATE OF AFFAIRS

Salaam Bombay Foundation started in 2002, to work with children in Mumbai's slums. Children in slums live in extreme poverty and in 'at risk' environments. They drop out of school; face the risk of child labor and substance abuse, tobacco use in particular. We work with these 'at risk' kids in programs that engage them through arts and sports (after school academies) and in-school programs (leadership and advocacy) that helps build their confidence, self-esteem and recommitments them to stay in school. We are currently in about 220 schools in Mumbai.

PROJECTS UNDERTAKEN DURING THE YEAR

➤ Super Army (Awareness & Advocacy)

At the core of Salaam Bombay Foundation's tobacco control mission is our In-school leadership program - Project Super Army. This program recruits and trains a child to become a soldier who fights the menace of tobacco. Project Super Army uses an intensive, multi-pronged strategy that includes:

- Building awareness about the harmful effects of tobacco on health
- Developing life skills needed to refuse tobacco
- Empowering students to become 'advocates of change' in their communities

In the year 2015 -16, Salaam Bombay Foundation reached 43,275 students via our program in about 220 schools in Mumbai.

Beginning with making schools and their neighborhoods tobacco free, these children work with government departments like the Police, Food & Drug Administration, Media, Health and Education departments to protect the public from tobacco, warn them about the dangers of tobacco use and enforce bans on tobacco advertising, promotion and sponsorship.

This year, the students went ahead and conducted tobacco awareness sessions in 93 police stations of Mumbai. Approximately 1600 police men were sensitized on COTPA 2003 and mobilized to make their respective police stations tobacco-free. Tobacco ill-effect awareness sessions were also conducted at 18 BEST bus depots for the staff. 2,675 employees were sensitized to make the depot tobacco-free and quit tobacco.

Every year, poster making, drama and singing competitions are organized for the students of Super Army schools at the zonal level. This provides an excellent opportunity for the children of 7th and 8th grade to showcase their talent. This year 5 zonal events were organized from Jan 27th to Feb 1st, 2016. 898 students from 118 schools registered themselves for the competition. Over all 55 posters were made, 51 melodious songs were sung and 43 plays with strong tobacco control messages were performed during 5 days of the zonal event.

The Bal Panchayat and Bal Parishad are forums for students to voice concerns and create action plans on issues related to tobacco control. The Bal Panchayats are in-school student health council and Bal Parishad is the city-wide inter-school annual meet. This year, Bal parishad was organized on World Cancer Day i.e. Feb 4, 2016 at N M Joshi Municipal school. 151 Bal Panchayat leaders from 102 schools participated in the program.

An advocacy activity focused towards getting commitment from all the stakeholders to support tobacco-free schools was organized on the auspicious occasion of Raksha Bandhan. 4160 students from 180 schools participated in this activity. Further, 25950 students and 830 staff members from 204 schools took the New Year resolution to make their respective schools tobacco-free compliant.

Advocacy activities were also organized during Ganesh Chaturthi. Banners with anti-tobacco slogans were displayed and 'life se panga mat le yaar' audio CDs were played at 463 ganpati marquees. 470 students were involved in dissemination of tobacco control message at the 463 ganpati pandals.

World No Tobacco Day

On May 31st (World No Tobacco Day), we launched an on-line campaign "Tambaku ko Dhishum". The idea was to create a platform where youth can also share images of tobacco advertising, promotions via Facebook, Instagram and email. Mr.Devdatta Nage (Actor), Mr.K.U Methekar –Asst Commissioner of FDA, Mr Uday Vanzari–Joint Commissioner of FDA launched this initiative. 350 super army students, college students & NGO representative participated in program.

4396 Students of SUPER ARMY created a huge awareness campaign by writing letters to our Hon. Chief Minister Devendra Fadnavis and Mr.Vinod Tawde the Education Minister of

Maharashtra and urged them to make all schools Tobacco Free. Students of Sandesh Vidyalaya one of our SUPER ARMY schools created an innovative step by singing songs on Mumbai University Students Transmission 107.8. This awareness campaign garnered applause for creating awareness about Health through the medium of F.M. Bajaj Electricals Ltd and BEST department joined hands with Salaam Bombay Foundation and launched Tobacco Free BEST campaign at Wadala Depot, this event was graced by Hon. Shree Divakar Ravate (Minister Of Transport).

➤ **SPORTS Against Tobacco:**

Sports is a very effective method to build life skills with children. It also reinforces the message against tobacco for good health. The program aims to seek talent in Municipal school children to give them a lifetime opportunity to be part of a world-class sporting experience. It gives children an option to consider sport as a vocation and instills the belief that achievement comes from perspiration and not from substance abuse. Our effort is to encourage children to find role models and heroes within themselves. The children not only train at sports with high standards but also learn life-skills like focus, leadership, stress management, concentration, emotion management and teamwork that will help them as sportspersons but more importantly through life.

- **SALAAM BOMBAY CRICKET ACADEMY:** This project helps recognize talent in a section of society that could only aspire to play 'galli-nukkad' cricket. Currently the Academy has 280 students, of which 250 children from 10 schools trained for tennis ball cricket at the school itself. 30 best children were selected to play at the nets for which the Foundation tied up with Chandrakant Pandit's Cricket Clinic this year. 12 children were invited by Kevin Pietersen Foundation to Dubai. There the children were trained in fitness and cricket technical skills for 7 days and then played matches with the various participating countries. The children participated in external matches and also played internal matches amongst themselves.
- **SALAAM BOMBAY HOCKEY ACADEMY:** The academy was launched in 2008 under the leadership of renowned Hockey Coach Mr. Mir Ranjan Negi, in association with Abhi Foundation. 58 children from 2 schools are being trained for Hockey. 4 teams, 2 boys and 2 girls' teams participated in the MSSA and DSO tournaments.

➤ **ARTS AGAINST TOBACCO:**

Salaam Bombay Foundation's Arts Academy includes initiatives providing training opportunities to school children in skill development in the field of Theatre, Western Dance, Classical Music and Creative Arts. Duration of training course through these academies is of three years where students are trained in respective faculties for Basic, Advanced and Graduation levels. During the training period students are taken on exposure visits and provided with performance opportunities to showcase their talent on the renowned platforms in the city. The Arts Academy had enrolled 558 students from 17 BMC and Government aided Schools in the year 2015-16.

- **SALAAM BOMBAY THEATRE ACADEMY –**

This academy focuses on Theatre techniques including script-writing, direction and technical aspects of production. Focus of the training is on improving performance skills on the stage, building up confidence and personality development to face the stage at ease. Children are given specialized training by Mr. Sachin Jadhav under the guidance of Ms. Meena Naik - a veteran theatre and film personality.

Training is conducted in seven batches in four schools covering 113 students. We have appointed 3 Graduate students as Assistant Trainers in the Academy. They have trained the first year batch on their own. Ex- students of Theatre Academy, now collegians, desired to work with Salaam Bombay Foundation to help the budding young artists, while pursuing their studies, in building career in theatre, hence the SBF has set up a Repertory Company for the purpose.

Our children have performed at major city events like World No Tobacco Day, NCPA Interschool Drama Competitions, Kala Ghoda Festival, State Level Competitions organized by State Department of Culture, Nehru Festival arranged by Nehru Centre, Mumbai, and many internal events held within SBF. Children of the Academy have won various awards at these events.

- **SALAAM BOMBAY DANCE ACADEMY –**

- **Kathak Dance**

The Kathak Dance Academy under the guidance of the Kathak exponent and award winning artist Ms. Anjalie Gupta has been training the children from two BMC schools, namely Colaba Municipal School and Abhyudaya Municipal School in classical Kathak. This training is conducted in four batches, two days a week, with regular exposure opportunities through participation in various competitions and events taking place from time to time in the city.

- **Western Dance**

Victory Arts Foundation (VAF), nurtured by a distinguished choreographer Shiamak Davar, trains the children in Western form of dance. 87 students from three BMC schools undertake training in Western classical dance in three batches.

- **Western Contemporary Dance:**

A batch of 29 students is being trained under the guidance of Mr. Norden Sherpa, dancer and choreographer of international repute.

- **SALAAM BOMBAY MUSIC ACADEMY –**

12 children from Prabhat Colony Municipal School are being trained in Hindustani Classical singing at Ajivasan Gurukul headed by Pt. Suresh Wadkar.

55 children from 2 schools, namely Motilshaha Lane and Maneklal Mehta B.M.C also take training in form of music under Shyamal Music Foundation.

- **Song Bound Academy**

Songbound is an UK based organization. We have started branches of Songbound Academy in two schools. Around 103 students are trained in choir singing in this Academy.

- **SALAAM BOMBAY CREATIVE ACADEMY –**

Ms. Arpita Mohata, erudite artist in painting, has voluntarily offered to train the children of Creative Arts. Students receive basic technical knowledge of drawing under her guidance. Two batches consisting of 32 students have been trained in drawing this year.

- **SALAAM BOMBAY MEDIA ACADEMY –**

The Media Academy is an in-school three years comprehensive training program, which trains children in journalism, photography and language development. Media Academy focuses on improving skills such as effective communication, confidence, interpersonal skill and creative writing so that the children are able to effectively express their thoughts and ideas. 347 children from 12 schools were trained in reading, writing, reporting, editing with an objective of making them empowered with journalism skill and contributing to Voice of Hallaboli. One batch was given training in Photography. Students were given various exposure opportunities such as newspapers houses, radio station, printing press and many more. Fourth batch of the academy has graduated during the year 2015-16.

➤ **RESEARCH:**

In 2015-16, Salaam Bombay Foundation's research activities focused on developing digital tools, monitoring tobacco industry tactics, and developing universal tools and surveys for advocacy monitoring and rural monitoring and evaluation. Major projects the research team worked this year include:

- **CTFK-sponsored SNAPT Project:** SNAPT was SBF's first project that incorporated digital data collection tools (tablet computers, digital surveys, and interactive orientation materials). For this project, we recruited 160 Bal Panchayat students to use tabs to document tobacco industry marketing in the areas surrounding 40 schools (BMC, government aided and private). The analysis of the report and photographic evidence has been presented in numerous reports, a presentation, video, and online material. We are currently working on a paper to be submitted to Tobacco Control (peer review journal). A press conference on the results was held on May 30th and generated 12 articles in print media.
- **School Profiles and Advocacy Monitoring:** Building on the success of the tabs used in the SNAPT Project, research worked with the Super Army team to develop a series of survey tools to gather information on the schools we are operating in and on-going advocacy monitoring projects for sales of tobacco within 100 yards of schools, point-of-sale advertising and tobacco-free school criteria. This project will be an on-going initiative for the Super Army that will replace the current paper-based

documentation books, and will be updated regularly using android-based surveys. To date, this project has generated online profiles for 184 Super Army schools and 92 non-Super Army schools.

- **Rural Monitoring and Evaluation:** The research team has also prepared a set of universal survey tools including stakeholder surveys, tobacco-free schools, tobacco-free village surveys, and tobacco use, knowledge, attitude and perception surveys. These tools were created to facilitate data collection for monitoring across rural projects and have been deployed in Chandrapur. Reports with baseline data have been prepared for funders based on this survey approach to date.
- **Conferences:** Salaam Bombay Foundation has submitted abstracts generated by the research team to three conferences – Areca Nut and Betel Quid Conference (3 abstracts submitted, 2 accepted, no scholarships received), APACT Conference on Tobacco of Health (9 abstracts submitted, acceptance and scholarships pending), Union Conference (6 abstracts submitted, 2 accepted, scholarships pending).
- **Publishing:** The research team has submitted four articles for publication in peer review journals this year. One article, on the FDA response to the gutka ban has been rejected, as has an article on smoke-free compliance in Mumbai coffee shops. One article is pending editorial review, and one article on smokeless tobacco use among Mumbai students has been accepted and is pending final publication in the Indian Journal of Cancer. We are planning to submit an article to Tobacco Control next week on tobacco industry marketing tactics around schools in Mumbai.

➤ **CONVERSATIONAL ENGLISH TRAINING:**

517 children from the Skills @school programme were trained in conversational English and trade related English. This is done with the objective of giving the children knowledge of basic English needed for their vocation and to build their confidence

➤ **SKILLS@SCHOOL:**

There is a definite gap in the municipal schools children in terms of specialized employability skills and job opportunities available. The children drop out of schools for mainly 3 reasons: They cannot afford to continue their education, they have to financially support their families or they are not just interested in studying. As a result, there is a huge increase in unskilled labor. To address this problem we piloted a Security Guard Training program with 15 children in 2013. Children who had passed out from the sports academy were offered this course and the 14 children who completed the course were offered a job. The salaries offered ranged from Rs.8,000/- per month to Rs.15,000/- pm. This year 464 children were trained in various vocational skills like Beauty and Hair, Hospitality, Retail, jewellery designing, Home appliance repair, gift wrapping, tailoring and computer hair. Children are using these skills for internships and earning stipend which they are using to pay some educational fees or to support their family income thus helping them to continue their education.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY THAT HAS OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR TO WHICH THESE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT:

No material changes and commitments affecting the financial position of the Company have occurred between the end of the financial year to which this financial statements relate and the date of this report.

SALAAM BOMBAY FOUNDATION

Notes to financial statement for the year ended 31 March 2016

1.1 CORPORATE INFORMATION

Salaam Bombay Foundation ('the Company' or 'Foundation') is a Non Governmental Organization that aims to educate children and inculcate a positive attitude among them on being tobacco free through awareness and personality development. The Foundation's projects have touched Street children, children in Municipal schools and Private schools.

Salaam Bombay Foundation was incorporated under section 25 of the Companies Act, 1956 on July 2, 2002 as a company limited by guarantee and not having a share capital. The Company is registered under section 12A of the Income Tax Act, 1961 vide registration no. TR/36855 dt. 28/11/2002.

1.2 BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India ('Indian GAAP'). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards Notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.2 PROPERTY, PLANT & EQUIPMENT

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use.

2.3 DEPRECIATION ON PROPERTY, PLANT & EQUIPMENT

Depreciation is calculated on a straight-line basis on Buildings. Depreciation on other Property, Plant and Equipment is calculated on Written Down Value method using the rates arrived at based on the useful lives estimated by the management. The Company has estimated useful lives of Property, Plant and Equipment as follows

SALAAM BOMBAY FOUNDATION

Notes to financial statement for the year ended 31 March 2016

Assets	Useful lives estimated by the management (years)
Buildings	20
Computers and Servers	3 – 6
Furniture and fixtures	10
Electrical Installation	10
Office equipment	5
Vehicles	8

The management has estimated, supported by independent assessment by professionals, the useful lives of the above classes of assets.

- Building and Office equipment are depreciated over the estimated useful lives of 20 and 5 years respectively, which are lower than those indicated in schedule II.

The residual values, useful lives and methods of depreciation of property, plant & equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

2.4 INTANGIBLE ASSETS

Computer Software acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization. Intangible assets are amortized on a straight line basis over the estimated useful economic life which is estimated as 5 years. by the Management.

2.5 RECOGNITION OF INCOME

- a. Donations / grants, Delegate Registration Fees and Sponsorship Fees are recognized on accrual basis upon compliance with the significant conditions, if any, and where it is reasonable to expect ultimate collection. Conditional project specific grant received is recognized as income to the extent of expenditure incurred in that financial year, while unspent balances are carried forward as liability for future utilization.

Amounts received with a specific direction from donors that those amounts shall form part of the Corpus of the Foundation, are credited to the Corpus Fund.

- b. Dividend income is recognised when the right to receive the dividend is established.
- c. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable

2.6 GOVERNMENT GRANTS & SUBSIDIES

Grants and subsidies from the Government are recognized when there is reasonable assurance that the grant /subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to a revenue item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which they are intended to compensate.

Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset.

SALAAM BOMBAY FOUNDATION

Notes to financial statement for the year ended 31 March 2016

2.7 INVESTMENTS

Investments which are readily realizable and intended to be held for not more than twelve months from the date of acquisition, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost; however, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

2.8 FOREIGN CURRENCY TRANSLATION

a. Initial Recognition-

Foreign currency transactions are recorded in Rupees, by applying to the foreign currency amount, the exchange rate between the Indian Rupee and the foreign currency at the date of transaction.

b. Conversion-

Foreign currency monetary items are reported using closing foreign exchange rate. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

c. Exchange Differences-

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

2.9 RETIREMENT & OTHER EMPLOYEE BENEFITS

a. Defined Contribution plan

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Statement of Income and Expenditure for the year when the contributions in the respective funds are due. The Company recognizes contribution payable to provident fund scheme as expenditure when an employee renders service. There are no other obligations other than the contribution payable by the Foundation.

b. Defined Benefit Plan

- i. Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation based on projected unit credit method made at the end of each financial year.
- ii. Short -term accumulated leave balances are provided for based on actuarial valuation. The actuarial valuation is as of the balance sheet date and based on the projected unit credit method
- iii. Actuarial gains/losses are immediately taken to the Statement of Income and Expenditure and are not deferred.

2.10 PROVISIONS

A provision is recognised when the Company has a present obligation as a result of past event and; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

SALAAM BOMBAY FOUNDATION

Notes to financial statement for the year ended 31 March 2016

2.11 INCOME TAXES

Provisions for taxation has not been made in the books of accounts in view of the exemption of income of the Foundation u/s 11 read with section 2(15) of the Income Tax Act, 1961.

2.12 CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
