MUSIC FOR A CAUSE

What: Music can transform lives! This is what students of Cathedral and John Connon School believe. In keeping with this belief, for the third consecutive year, their musical group WE will perform at Blue Frog to raise funds for underprivileged children from Salaam Bombay Foundation. The performance will pan across different genres of music including jazz, pop and contemporary. The funds raised in the musical gala will give an opportunity to the talented and deserving underprivileged children to receive advanced training in their chosen vocation – bringing them one step closer to their dream.

WHEN: Sept 5, 5 pm to 7 pm

WHERE: Blue Frog, Lower Parel, Mumbai
