Mumbai: Salaam Bombay Foundation (SBF), a non-profit organisation empowering resource-challenged adolescents, in collaboration with the School of Business Management at NMIMS, is proud to announce the third edition of 'Dolphin Tanki' – the flagship platform of the Foundation's Entrepreneurship Incubator for Grassroots Adolescents. Dolphin Tanki is a part of Salaam Bombay Foundation's Entrepreneurship Incubator, and these programmes have been recognised as a youth-centric solution by Yuwaah India at UNICEF and 10to19 Dasra Adolescents Collaborative as part of their Joint Call For Solutions Initiative. Slated to take place on March 16, 2024, in Mumbai, the third edition of Dolphin Tanki will showcase a new cohort of resource-challenged budding entrepreneurs with incisive business ideas across sectors including Beauty & Wellness, Bakery & Confectionary, Electrical and Electronics Appliance Repair, Photography, Choreography and Fitness. These aspiring entrepreneurs have been mentored by students of SBM, NMIMS, via the 'We Care – Civic Engagement Internship' programme ensuring a collaborative learning experience that promises to transcend boundaries.
